

Do civic websites really  
make democracy **easier**  
**to access** for everyone?

Can online tools really  
help **citizens exert power**  
over public institutions?

COME AND BE PART OF THE DEBATE AT

## The Impacts of Civic Technology Conference

from mySociety

A new annual conference to discuss  
the impact that digital democracy  
and civic technology are having  
upon citizens, decision makers and  
governments around the world.

London, 25 March 2015
